

DOOM IT

“DOOM IT NEVER
DIES IT KILLS”

Biography

ABOUT DOOM IT

Mfundo Goodhope Mayisa popularly known as “ **DOOM IT**” is a 26 year old Hip-Hop DJ. **DOOM IT** is a highly skilled DJ based in Johannesburg who graduated with the Department of Arts, Sport, Culture and Recreation for his DJing skill that he was nurtured and mentored to the highest level by BOKKIEULT.

DOOM IT's stage named is derived from many things the most obvious one being the brand “**DOOM**” which is famously known for its super multi insect aerosol insecticide (in his own interpretation of the word his aim is to ““kill it” every time he is playing a set and giving his best at all times). Another one of those meanings is the literal connotation of “**DOOM**” being dangerous going back wanting to being the best not only when he plays a set but with everything he puts his mind to.

DOOM IT has opened up for the household names like the likes of **A-REECE, Blxckie, Dj Sliqe, FLVME & Lucasraps** respectively, he has played alongside **DJ Speedsta , Dj Venom, Kyotic and Major League DJz**. **DOOM IT** has had multiple residency in venues in his home town(Kwa- Thema) and is recognised for his famous **Universal Studios** film clips as he starts his dj set. He has also played at well know clubs and establishments like **DRAMA Braam, Pablo Escobar (Pretoria), Ayoba lifestyle, Ekhaya, Mango Groove, 86 Republic, Kitchener's & 012 lifestyle Brooklyn**. One of his most recent career highlights is entering last years **Monarch** Dj competition and came 3rd amongst all the Hip-Hop DJ's in the competition. Another highlight is being 1 of the 10 winners for the **Channel O & Zone 6** (for 2025 **Under the radar competition June 16 2025**) he was 1 of 2 Hip-Hop DJ's amount the chosen 10 winners. As of 17th of Jan 2026 he is a resident dj at **Palms Restobar**.

DOOM IT has had multiple features on various radio stations his mix has been played on **DJ Speedsta's Absolute Hip-Hop on Metro FM** , other contributions were at **TRU FM, VOW FM** which were monthly residencies on different occasions. His most recent contribution to a radio station was **UJ FM** where he was featured as a guest DJ. **Doom it's** mixes has been playing on **5FM** for 2 months in a dj vs's and through that has played his first live set on **5 Hip Hop Nights with Dj Speedsta & ShabziMadallion**. And is now a resident of the show every month (once a month as of January 25th 2026.)

DOOM IT not only looks to grow in the club and Hip-Hop scene in **South Africa** but aims

to big **Globally**. Another one of his visions is to curate his own events where he not only showcases his skill but has a platform for other emerging Hip-Hop DJ's but Hip-Hop acts. And this will be showcased under his events company **The DOOMNATION** and will curate events and live visual mixes under the name "**DOOMs Yard**".

DOOM IT has self titled his supporters/followers **DOOM NATION**.

DOOM IT has been releasing mixes on **SoundCloud** over the last couple of years andk has fed growing audience di erent colours of sounds and music from all over the world but most notably **South Africa**.

He has recently released his first live visual mix on **Youtube** and aims to stay consistent with mixes on a month to month basis.
